Criteria:

Sponsor Candidates must be able to demonstrate through a written statement (not less than a paragraph nor more than a page) a significant interest or contribution to the growth of sustainable design, resource conservation and the principles of green building as defined by LEED. Applicants will be accepted to encourage diversity of sponsors. MGBCE Sponsorship is open to members and non-members of USGBC.

Sponsors who meet the above criteria will be accepted on a first come, first served basis. As co-hosts of the MGBCE, USGBC-LA and Southern California Gas Company reserve the final right for all decisions regarding sponsorship. If you are interested in sponsoring the MGBCE, send your contact information, web site and written statements to krobinson@usgbc-la.org prior to March 18, 2010.
